

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Donation of retired gymnastic equipment to the Stockton Rotary

**MEETING DATE:** August 3, 2005

**PREPARED BY:** Parks and Recreation Director

---

**RECOMMENDED ACTION:** That the City Council approves the donation of retired gymnastic equipment to the Stockton Rotary.

**BACKGROUND INFORMATION:** The Parks and Recreation Department is currently housing a number of pieces of gymnastic equipment that is no longer being used by the Department and have been deemed surplus. In an attempt to find a way to extend the useful life of this equipment, Department staff has been in contact with various service clubs.

The Stockton Rotary Club has expressed interest in obtaining the equipment. The Club has plans to deliver the various items to a community in Mexico. The Stockton Rotary Club will be responsible for removing the items from the Parks Division storage facility and transporting the items to the Club's storage facility prior to being shipped to their final destination.

**FISCAL IMPACT:** The subject gymnastic equipment does not meet current equipment standards. Donating the unused equipment will free up badly needed indoor storage space in the Recreation Annex building.

**FUNDING AVAILABLE:** No City funds will be expended to accomplish this donation.

  
Tony Goehring  
Parks and Recreation Director
